

The Blake Theatre

Hire Pack

The Blake Theatre

Facilities

The Blake Theatre is available to hire for drama, dance and music shows, as well as films, lectures, presentations, dinners and parties. The theatre seats 500 people on raked seating and two balconies, but it can also be used without the seats or partly seated and standing. For dinners, our capacity is usually 100.

The Blake Theatre has a fully licensed bar which is included in our hire package. Also included is a technician to do sound and lighting for your show. Our full technical specification is available to download on this page.

Backstage, there are two well-equipped dressing rooms. There is a small orchestra pit. Our box office can sell tickets for your production and tickets are sold online through our website too.

To hire the Blake Theatre costs £550. If you are a charity or small local group, do contact us as you may be eligible for our community rate of £485.

The Hire Period

The earliest get-in time is usually 4.00pm. If required, an earlier get-in may be arranged in advance. If utilising all day and evening, then it must be divided up to include at least two one-hour breaks. Break times can be flexible and should be discussed with the Duty Technician upon arrival. Please advise us in advance if your get-out is likely to go on beyond 11.00pm, as this may incur an additional fee.

If you have any queries or would like to check availability then email our Theatre Managers, Jane and Fiona or for technical queries, our Technical manager, Jimmy on boxoffice@theblaketheatre.org

Staging

The Blake Theatre will provide a bare stage with black box masking or a white cyclorama. Please specify any further requirements in the space below.

Staff Provision

Included in the basic hire fee, The Blake Theatre will provide up to 4 hours of multi skilled technician time for get-ins, and one technician for up to 4 hours for production time and show call.

Health and Safety

All sets and furnishings used at The Blake Theatre must be either Class 1 or fireproofed with a recognised brand of flame retardant. The Blake Theatre reserve the right to test any set being used in the theatre and if necessary refuse the same if we judge that the Health and Safety regulations have been compromised.

Smoking is forbidden in all backstage areas. Soft drinks are allowed in the dressing rooms at the discretion of the hirer, but in no other areas. The enforcement of this and any other requirements are the responsibility of the hirer. These rules are for your own safety and in order to comply with our own licence requirements.

Special Effects

All special effects must be agreed to in advance with a member of The Blake Theatre's technical department, and their use is ultimately at the discretion of the Production Manager. The Blake Theatre also reserves the right for the duty technician to confiscate any special effects that he or she considers to be a danger.

Lighting and Sound

Please let us have a tech spec including lighting plan **at least two weeks prior to your get-in**. We will make every effort to pre-rig to your specifications, however this cannot be guaranteed.

The Blake Theatre does not provide gel or any lighting equipment additional to that specified on the technical specifications sheet provided. Colour calls and additional equipment can be brought in on behalf of hirer if required. All costs incurred will be recharged to the hirer.

Please note that all electrical equipment brought into The Blake Theatre must have a valid PAT sticker on it.

Performing Rights Society

Any permission and fees due to the Performing Rights Society and charged to The Blake Theatre are the responsibility of the hirer and will be passed on. Where necessary a P.R.S form should be returned to The Blake Theatre technical staff immediately after the event. The Blake Theatre reserves the right to withhold any moneys due until this form is completed. The charge for popular music currently stands at 3% of box office takings. The equivalent charge for classical music is currently 4.8%. Charges for other types of performance featuring music vary, please consult the technical department for further guidance.

Dressing Rooms

The use of dressing rooms associated with each performance space is included in the basic hire fee. If any other rooms are to be used as dressing rooms, then this detail must be included on the booking form. The use of other rooms is subject to availability and an additional charge may apply.

Dressing rooms include fixed tables and a number of chairs appropriate to the size of the room. Please note that if other rooms are being used as dressing rooms, any chairs and/or tables found in these rooms are liable to be removed for use elsewhere in the building without notice, unless they have been specifically booked for your use.

Box Office Arrangements

It is very important to discuss ticket plans with Jane Green (Theatre Manager) at an early stage.
Email: boxoffice@theblaketheatre.org

Pricing and ticketing

Each ticket sold by the box office will incur a £1 box office transaction fee and this should be included in the ticket price you tell us.

Once the dates, start times, ticket prices and theatre seating format for an event have been agreed they cannot be altered. The Hirer must confirm ticket prices in order to be listed in The Blake Theatre's brochure.

The Hirer will need to confirm with The Blake Theatre's Box Office any advance booking requirements for members or guests.

Opening Hours

The Blake Theatre Box Office is open from 12.00pm to 2.00pm Monday to Friday and 10.30am to 12.30pm Saturday during term time and a reduced schedule during holidays. The Box Office will also be open for one hour before the performance. The Box Office accepts cash, cheques and most major credit and debit cards. Please note that any credit card commission will be deducted from the ticket sales.

Front of House Arrangements

House Seats and Steward Seats

In common with general theatre practice, The Blake Theatre holds four seats for every Main House performance as 'house seats' in case there are customer problems or latecomers on the night. Six seats in the Main Auditorium are also reserved for stewards who sit in to comply with the public licence requirements. The Hirer should not include these seats in income calculations. Some of the house seats may be released immediately prior to the performance at the discretion of the Duty Manager.

Foyer

The use of the foyer area is possible for display purposes or for the sale of merchandise but must be agreed in advance with the Theatre Manager. There is a 10% commission charge on any items sold. The Duty Manager reserves the right to remove any displays not previously agreed or that he or she feels unsuitable.

Marketing and Publicity Arrangements

Please note that in all cases it is the responsibility of the hirer to promote their own event. We are happy to give advice and help as outlined below, but ultimately the success of the event depends on the hirer.

Referring to The Blake Theatre on publicity material

All publicity, including adverts, banners, leaflets, posters, programmes, t-shirts etc must refer to the venue as The Blake Theatre. If the name is used incorrectly, we reserve the right to ask the hirer to reprint the material or remove it from public circulation. It is essential that the name of The Blake Theatre be used consistently and properly.

The Blake Theatre's brochure

The performance hire fee for the main house or studio includes free inclusion in The Blake Theatre's seasonal brochure, subject to print deadlines and the nature of the event, but only if we sell all or at least 50% of the tickets sold. The Hirer can elect not to be included in the brochure.

The information required for the brochure includes the official name of the Hirer or Promoter, the title of the event or show, an image (e.g. illustration, photograph etc), a few lines of promotional copy, and all the relevant dates, times and ticket prices including concessions. The theatre seating format, dates, times and ticket prices set by the Hirer at this stage cannot be changed once the brochure is in production or once the event has gone on sale, whichever is sooner. The editing of the final copy is entirely at the discretion of the Theatre Manager.

All advertising will be the responsibility of the hirer.
